A credit card guarantee is required before any job can begin, if you require on-going work, card details and authorization can be securely kept on file to avoid delays. Confirmation required

We understand that some clients prefer not have their card details on file, alternatively we do accept payment on parts in FULL, before any work commences. Confirmation required

Labour Rates:

- Tradesman labour is charged at \$120per/h
- Labour outside the normal operation hours of the business (6am – 6pm on Mon – Fri) will be charged at \$180 p/hour
- Whenever necessary extra hands will be charged out at \$90 p/hour
- Apprentice labour is at my cost unless they are being used as extra hands

If the vessel is located outside the Airlie Beach / Cannonvale area the following conditions apply:

- Travel time charged at \$80 p/hour
- Any cost incurred for ferry transfers or fuel will be passed on to the customer
- Where more than one vessel is visited in one area the above will be divided fairly between the customers dependant on the time spent on each vessel.

By signing this form, you agree to the conditions above.
